

ALL drop-offs and pick-ups MUST access the campus from Ingram Avenue. NO private autos will be allowed to enter from the Cherokee Drive area (by Mr. Gatti's/Board Office). If you intend to walk your child into the building, you may park in the available visitor parking (labeled VP in yellow).

This includes the outer parking slots at the Board of Education building. For safety concerns, there will be NO drop-offs/pick-ups behind the schools. Note – traffic now merge from two lanes into one in front of the Intermediate School. There will be eight drop-off stations for the PC/IS students. We will have staff members and SRO's on hand to assist and answer questions.

The first week will be the busiest, please be patient. Help us keep our kids safe!
