The Cardinal Financial Center has been up and running since 1995. Since the bank's opening, it is now sponsored by four of the major banks in Taylor County, including Citizens Bank, Taylor County Bank, Forcht Bank, and United Citizens Bank.

To apply for a position in the CFC, you must be a junior or senior, take Accounting Foundations, and be a member of the FBLA. Positions in the bank include a President, Vice Presidents, Loan Officers, Marketing and PR, Tellers, etc. Positions are determined based on your application and interviews.

Every year, the seniors in the CFC have the opportunity to apply for a \$500 scholarship. Each senior writes an essay and the winner receives the scholarship.
